**Partnering with Patients in
Decision Making:
Continuing the Conversation
at Johns Hopkins**

INAUGURAL CONFERENCE, JUNE 1, 2016, 8:30AM-5:30PM

Owens Auditorium, Koch Cancer Research Building

Johns Hopkins Kimmel Cancer Center

1550 Orleans Street • Baltimore, MD 21231

Bioethicsinstitute.org/partnering

CONFERENCE OBJECTIVES

EXPLORE the definition, conceptual grounding, and relationship to ethical concepts of shared decision making, as well as its relationship to broader issues of racial, socioeconomic and healthcare disparities and cultural competence, in Baltimore, the US, and globally

DESCRIBE facilitators and barriers to shared decision making among patients, families, and providers

DEMONSTRATE the effect of innovative interventions to promote shared decision making among patients, families, and providers.

EXPLORE the experiences, unforeseen consequences and potential downsides of shared decision making from the viewpoint of patients, families and providers.

The conference is FREE of charge and open to all.
Patient participation will be facilitated and encouraged.

 Tweet the conference using the hashtag #PartnerWithPatients!

 Share the following commitment on social media!

 I will encourage shared decision making at _____
by _____.
